Sunnyvale School District Bond - Measure C

On Tuesday, March 5, 2024, all of the voters in the Sunnyvale School District will have an opportunity to vote on Measure C, a \$214 million school bond.

Measure C will provide funds to:

- Fix or replace leaky roofs and windows
- Improve accessibility for students with disabilities
- Expand counseling facilities to support the mental health of students
- Update classrooms, science labs and technology to meet current instructional standards
- Upgrade and improve school safety and security
- Modernize Sunnyvale Middle School

The average yearly cost to property owners in the Sunnyvale School District will be \$15 per \$100,000 of assessed valuation (not market value).

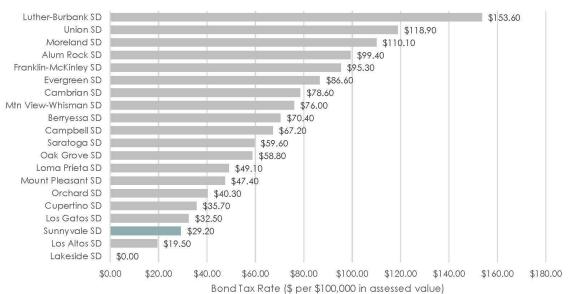

Comparison of Tax Rates

Sunnyvale SD's bond program tax rates are relatively low

Future Needs - Measure C Project List

Introduction

When it comes to each Facilities Master Plan, students are the inspiration. Guided by the vision of Sunnyvale School District, Learning Space Design Standards (also referred to as the Vision) has been created. This document outlines the District's philosophy, programs, goals and functional characteristics—then translates them into design guidelines for learner-centered spaces that will successfully support both today's and tomorrow's students. This document is aspirational in nature and provides a future design team with parameters to strive for.
